

# Reuterin<sup>®</sup> GG drops

Food supplements

10 ml bottle

Reuterin<sup>®</sup> GG drops is a food supplement containing probiotics useful for balancing intestinal flora.

Reuterin<sup>®</sup> GG drops consists of a mixture of 2 probiotic strains and precisely *L. reuteri* LMG P-27481 and *L. rhamnosus* GG (ATCC 53103). Scientific studies have shown that these probiotics are able to overcome the gastric barrier, to arrive alive and active in the intestine, colonising it. Probiotics are normal, non-pathogenic and non-toxic inhabitants of the human gastrointestinal tract and other body regions.

## **SAFETY**

The safety of probiotics is largely demonstrated by numerous clinical studies on their use. Reuterin<sup>®</sup> GG drops can also be taken by individuals who are intolerant to gluten and lactose.

## **DOSAGE AND INSTRUCTIONS FOR USE**

It is recommended to take 10 drops or according to your doctor's advice. One intake per day provides at least 6 billions of probiotics.

Do not mix with hot milk or other hot beverages, as this may impair the viability of the probiotics.

Administer the drops as they are or mixed with any kind of warm or cold beverages or with milk at a temperature not exceeding 37°C. Shake well before use.

## **STORAGE CONDITIONS**

Store in a cool and dry place, away from heat sources, at a temperature not exceeding 25°C. Do not freeze.

## WARNINGS

Food supplements should not be regarded as a replacement for a varied and balanced diet and a healthy lifestyle. Do not exceed the recommended daily dose. Keep out of the reach of children under three years of age. Consult your doctor before giving Reuterin® GG drops to children under three years of age. The expiry date refers to the product in unopened packaging and correctly stored.
