

# Reuterin<sup>®</sup> tablets

*L. reuteri* DSM 17938

Food supplement

30 chewable tablets

## WHAT IS REUTERIN<sup>®</sup>

Reuterin<sup>®</sup> is a food supplement containing *L. reuteri* DSM 17938.

*L. reuteri* DSM 17938 is a probiotic that colonises the intestine and helps to balance the intestinal flora.

Published scientific papers show that *L. reuteri* DSM 17938:

- is active and vital in the environmental conditions present in the intestine;
- is resistant to gastric acid, bile and pancreatic juice;
- is capable of colonising the human intestine.

## REUTERIN<sup>®</sup> IS SAFE

Numerous scientific publications attest the safety of *L. reuteri* DSM 17938 in adults, children and babies.

The product can be taken during pregnancy and breastfeeding.

## DOSAGE AND INSTRUCTIONS FOR USE

Chew 1 or 2 tablets daily, with or between meals.

## STORAGE CONDITIONS

Reuterin<sup>®</sup> should be stored in a cool place (max 25°C).

Do not freeze. Check the expiry date of the product before consumption.

## WARNINGS

Keep out of the reach of children under three years of age.

Food supplements should not be regarded as a replacement for a varied and balanced diet and a healthy lifestyle. Do not exceed the recommended dose. Excessive consumption may have laxative effects. Consult your doctor before giving Reuterin<sup>®</sup> to children under three years of age.
